CONSENT ORDER

THIS CAUSE came on for consideration and final agency action. Upon consideration of the record, including the Settlement Stipulation for Consent Order dated February 18, 2015, and being otherwise fully advised in the premises, the Chief Financial Officer finds:

1. The Chief Financial Officer, as agency head of the Florida Department of Financial Services (the "Department"), has jurisdiction over the subject matter of this case and the parties.
2. The entry of this Consent Order and compliance herewith by Andrew S. Taubman (the "Respondent"), License #D076982, shall conclude the administrative proceeding of Case No. 168944-15-AG before the Department.

IT IS THEREFORE ORDERED:

- (a) The Settlement Stipulation for Consent Order dated February 18, 2015, and attached hereto as "Exhibit A," is hereby approved and fully incorporated herein by reference.

(b) All licenses and eligibility for licensure and appointment of the Respondent are hereby surrendered to the Department. Said surrender shall become effective upon the date of issuance of this Consent Order. The Respondent shall return to the Department of Financial Services, Bureau of Licensing, 200 East Gaines Street, Tallahassee, Florida 32399-0319, within ten (10) calendar days of the issuance of this Consent Order, all licenses issued to the Respondent pursuant to the Florida Insurance Code.

(c) The Respondent shall not engage or attempt or profess to engage in any transaction or business for which a license or appointment is required under the Florida Insurance Code or directly or indirectly own, control, or be employed in any manner by any insurance agent or agency or adjuster or adjusting firm until the license is reinstated or a new license is issued.

(d) The Respondent shall not have the right to apply to the Department for another license under the Florida Insurance Code for two (2) years from the effective date of surrender. The Department shall only grant a new license if it finds that the circumstance or circumstances for which the licenses were surrendered no longer exist and are not likely to recur, and if the Respondent meets all other licensing requirements. In the future, if the Respondent makes application to the Department for licensure, in addition to all other licensing requirements, the Respondent shall have the burden of establishing that the same circumstances that caused the surrender no longer exist and are not likely to recur.

(e) If the Department has good cause to believe that the Respondent has violated any condition of this Consent Order, then the Respondent authorizes the Department to seek the immediate enforcement of the order in the Circuit Court of the Second Judicial Circuit, in and for Leon County, in Tallahassee, Florida. If such an enforcement order is granted, then

the Respondent agrees that he shall be liable to the Department for all reasonable costs and attorneys fees expended in the enforcement action.

(f) Any person who knowingly transacts insurance or otherwise engages in insurance activities in this state without a license, or while the licenses are suspended or revoked, commits a felony of the third degree.
