7. By entering into this Settlement Stipulation for Consent Order and by the filing of a Consent Order in this case, the Respondent and the Department intend to and do resolve all issues pertaining to the license disciplinary administrative penalties to be imposed against the Respondent based on the allegations in paragraph 3 above.

8. No party will appeal this Settlement Stipulation for Consent Order or the Consent Order to be issued in this case, and the parties specifically waive notice of the right to appeal as required by section 120.569(1), Florida Statutes.

9. This document is a public record and contains information which is routinely published by the Department.

10. Each party to this proceeding shall bear its own costs and attorneys fees, unless otherwise provided herein.

11. This Settlement Stipulation for Consent Order is subject to the approval of the Chief Financial Officer or his designee. Upon his approval, and without further notice, the Chief Financial Officer or his designee may issue a Consent Order providing for the following:

(b) All licenses and eligibility for licensure and appointment of the Respondent are hereby surrendered to the Department. (c) The Respondent shall not engage in or attempt or profess to engage in any transaction or business for which a license or appointment is required under the Florida Insurance Code or directly or indirectly own, control, or be employed in any manner by any insurance agent or agency or adjuster or adjusting firm until the license is reinstated or, if revoked, a new license is issued.

(d) The Respondent shall not have the right to apply to the Department for another license under the Florida Insurance Code for two (2) years from the effective date of surrender. The Department shall only grant a new license if it finds that the circumstance or circumstances for which the license was surrendered no longer exist and are not likely to recur, and if the Respondent meets all other licensing requirements. In the future, if the Respondent makes application to the Department for licensure, in addition to all other licensing requirements,

the Respondent shall have the burden of establishing the same circumstances that caused the surrender no longer exist and are not likely to recur.

(e) If the Department has good cause to believe that the Respondent has violated any condition of this Consent Order, then the Respondent authorizes the Department to seek the immediate enforcement of the order in the Circuit Court of the Second Judicial Circuit, in and for Leon County, in Tallahassee, Florida. If such an enforcement order is granted, then the Respondent agrees he shall be liable to the Department for all reasonable costs and attorneys fees expended in the enforcement action.

(f) Any person who knowingly transacts insurance or otherwise engages in insurance activities in this state without a license, or while the license is suspended or revoked, commits a felony of the third degree.
